# “INSPIRE A BETTER HAWAII”

## Suggestions for students:

Younger students may need more coaxing to unleash their imaginations. Often the most creative pieces start from very simple ideas.

- If you could do one thing to make Hawaii a better place, what would it be?
- What kind of impact would you like to have on your community and why?
- “We can change the world and make it a better place. It is in our hands to make a difference.” – Nelson Mandela, South African political leader and anti-apartheid revolutionary.
- “In Hawaii, we are all one ohana.” What does this phrase mean to you?
- What inspires you in life?
- Share a moment where someone has impacted your life for the better, whether it was a friend, family member, or even a complete stranger.
- What does the first step on the path to your dreams look like?
- “The greatness of a community is most accurately measured by the compassionate actions of its members.” – Coretta Scott King, an American author, activist, civil rights leader, and the wife of Martin Luther King Jr.
- Share a memory of when you came together with a group of friends to accomplish a goal.
- What would you like to inspire in your family or community?
- “One person can make a difference.” What does this phrase mean to you?
- “You cannot get through a single day without having an impact on the world around you. What you do makes a difference, and you have to decide what kind of difference you want to make.” – Jane Goodall, English conservationist known for her work with chimpanzees.
